

CALL FOR PAPERS 2012

The AMEU Executive Council announces that the **63rd AMEU Convention**, hosted by the Ekurhuleni Municipality will be held at the **Emperors Palace from 15 – 17 October 2012**.

The Council invites all parties who may be interested in presenting papers at the Convention to submit a synopsis, of no more than 400 words, to the AMEU Secretariat by **30 March 2012**. If your proposal is selected for presentation at the Convention, you are required to provide a manuscript for publication. This should comprise of no more than 10 typed pages and will be due by **27 August 2012**.

Convention Theme:

Solutions for a Smart Industry

The following sub-themes and paper concepts are suggested:

- Smart grids
- Renewable energy
- International trends
- System performance
- Energy shortages and load shedding
- Independent power producers and embedded generation
- Demand Side Management & Energy Efficiency
- New Technology
- Safety
- Tariffs

Speakers will be allocated 20 minutes to present their papers followed by 10 minutes of questions and discussion time per paper. Please note that a written version of your final paper in MSWord format is needed for inclusion into the AMEU Proceedings Book and Convention delegate pack. A PowerPoint presentation will not be accepted in lieu of a paper.

Practical case studies, research, innovations, management practices and report backs to the industry, are all welcome.

Summaries of proposed papers in attached format should be faxed to the Secretariat at fax number **011 789 1385** no later than **30 March 2012** AND sent by e-mail to **Marindi@vdw.co.za**

Yours faithfully

JEAN VENTER
General Secretary
