THE OPPLE STORY

Creating Value With Light

THE OPPLE VISION

We believe in better light for a better future.

"Caring breeds more
than just business commitment.
It breeds passion, belief and pride.
And with these firmly rooted in our DNA,
business excellence
is an inevitable consequence."

Madam Ma
CEO AND FOUNDER

1996

China Lighting Capital -Guzhen town
8 staff a small workshop

OPPLE

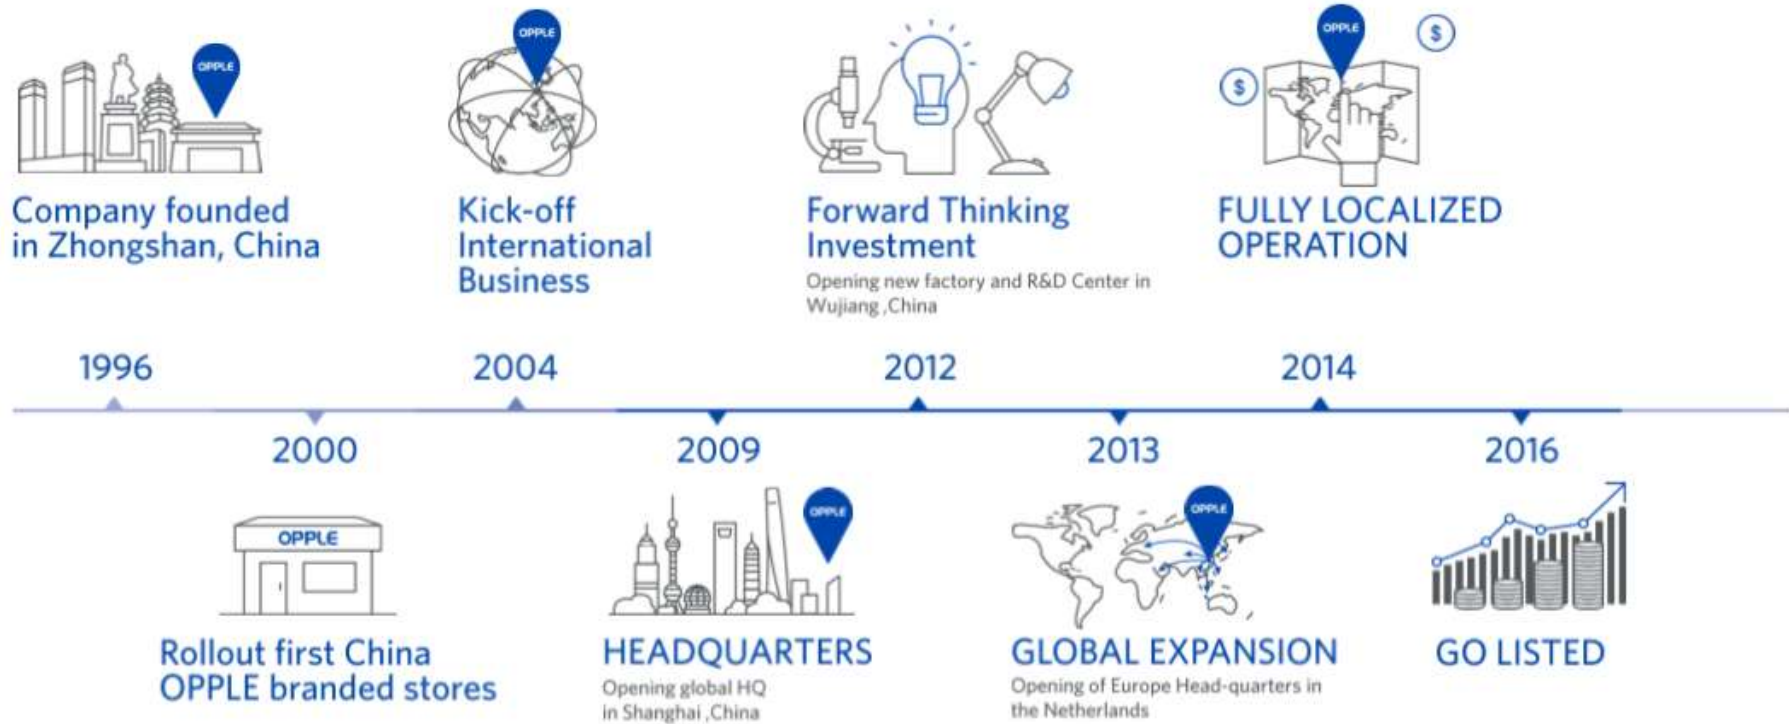

OPPLE INTRODUCTION

WWW.OPPLE.CO.ZA

DEVELOPMENT OF OPPL

OPPLE was ranked No. 1 in the industry in terms of operating revenue from 2011 to 2017.

MANUFACTURING

Automated & flexible Cutting-edge facilities

600,000+ Square meters
\$150MUSD Facility

- Vertically integrated production
- Automated lines
- Automated customization
- International standards
- Humidity control
- Controlled environment
- Automatic Logistics & Warehousing

MEETING INTERNATIONAL STANDARDS SAFETY, QUALITY & SUSTAINABILITY.

Facility Certifications

ISO9001 Quality management
SA 8000 Social Accountability
ISO14000 Environment management
OHSA18000 Occupational Health and Safety Management

Product Quality Certification

INDUSTRY STANDARD CERTIFICATIONS:
Safety and local energy efficient approbation

International: CB , EMC

EU: CE

Local: NEA, GS, CCC, TISI, SIRIM, SASO, BIS, etc.

OPPLE

SUCCESSFUL PROJECTS **OFFICE**

SUCCESSFUL PROJECTS OFFICE

KONE Elevators Offices

KONE has over 1,000 facilities globally, including office spaces and installation and service operation hubs. The first company to achieve the best A-class energy efficiency classification for elevator installations, according to the ISO 25745.

SUCCESSFUL PROJECTS INDUSTRIAL

Mistico Equestrian Centre

For Michael Hall, General Manager of the Mistico Equestrian Centre, form and function were the lighting priorities for his horse riding venue. The centre is located outside of Cape Town, South Africa and was designed specifically for large-scale horse riding competitions. Additionally, the venue can be rented out to accommodate any indoor event including exhibitions, weddings, conferences, concerts, and corporate functions of any kind. The Mistico lighting project demanded luminaires that could rise to any occasion.

SUCCESSFUL PROJECTS RETAIL

Watercrest Shopping Mall

Watercrest Mall is a landmark shopping destination in the Waterfall suburb of Durban, South Africa. Celebrating the beauty and bounty of Kwazulu Natal, the Watercrest Mall features over 120 retail stores. Only a 30 minute drive from downtown Durban, and with easy access to 2 subway lines, the Mall is anchored by attractive retailers such as Woolworths, Edgars, Super Spar, Checkers, Game and Dischem. The 44,000 square meters mall also features a Ster Kinekor movie theatre and a family-oriented food court, making it a complete retail and leisure experience for visitors.

SUCCESSFUL
PROJECTS
HOTEL & RESIDENTIAL

SUCCESSFUL PROJECTS HOTEL & RESIDENTIAL

DAMAC IMPZ

Damac properties one of the top five developer in GCC region in real estate sector, completed a mixed residential and commercial projects in the whole region, usually most of their projects requirements are too high and quite difficult to list any product supplier

A FULL LIGHTING PRODUCT PORTFOLIO

WWW.OPPLE.CO.ZA

A FULL LIGHTING PRODUCT PORTFOLIO

PRODUCT PORTFOLIO – SOUTH AFRICA

PRODUCT PORTFOLIO – LED Streetlight

LED Streetlight – EQ*

3000K

4000K

5700K

- 20/40/60W
- 100-120lm/W
- 30K hrs lifetime
- 150+70D
- IP65 / IK08

- Wide applicable voltage
- Surge protection up to 6kV (60W)
- Optimal heat management
- High lumen output, anti-glare
- Long life, low maintenance cost

PRODUCT PORTFOLIO - LED Floodlight

LED Floodlight – Ecomax H*

3000K

4000K

5700K

- 150/200W
- 100lm/W
- 30K hrs lifetime
- 60/72+80D
- IP65 / IK08

- Slim and compact design
- Robust housing and refined finish coating
- Vibration-proof, wind-proof, rust-proof
- Adaptable installation

LED Floodlight – Ecomax II*

3000K

4000K

6000K

- 30/50/70/100W
- 90lm/W
- 30K hrs lifetime
- 40+80D
- IP65 / IK08

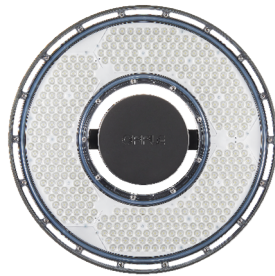

- Slim and compact design
- Robust housing and refined finish coating
- Vibration-proof, wind-proof, rust-proof
- Excellent thermal management for stable performance
- Adaptable installation

PRODUCT PORTFOLIO – LED High bay/Low bay/Canopy

LED Highbay Performer IV

4000K Neutral White
5700K Day Light

- Range: 80/110/155/215W
- Efficacy: up to 160 lm/W
- IP66, IK08
- Lifespan: 70,000hrs

- **Long Life & High Performance:** 70000h, up to 160lm/W, DALI ,BLE and sensor option available
- **Severe environment adaptability:** -40°C~50°C working temperature, 85V~300V wide applicable voltage, IP66, IK08, 4KV surge protection
- **Flexible installation:** hook, pole or bracket

LED Canopy

3000K

4000K

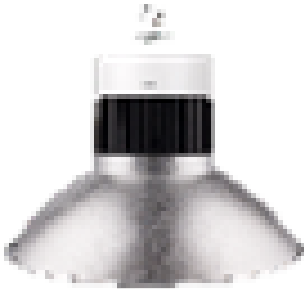

5700K

- 80/120/160W
- 125lm/W
- 50K hrs lifetime
- IP65 / IK08
- Recessed / Surface / Pole

- Excellent lighting effects, low glare, optimized vertical illuminance
- Flexible installation, accommodate various applications
- Multiple beam angles: 60/100D, Assymetric

LED Low bay – Ecomax H*

5700K

- 100/150/200W
- 100lm/W
- 60/90D
- 30K hrs lifetime
- IP20

- Optimal heat management
- Lasts 4 times longer than conventional low bay
- Applicable in multiple ceiling heights and environment
- Multiple installation options: hook, pole or wall mounting

PRODUCT PORTFOLIO – LED Waterproof

LED Waterproof – Utility Plus

4000K

5700K

- 10/20W 600mm
- 20/40W 1200mm
- 24/48W 1500mm
- 90lm/W
- Power factor - 0.9
- 30K hrs lifetime
- IP65 / IK08

- Optimal heat management
- Water and dust proof, suitable for outdoor use
- Lasts 4 times longer than fluorescent
- Anti-UV poly carbonate cover, prevents cover from yellowing

PRODUCT PORTFOLIO – LED Bulkhead

LED Bulkhead - Ecomax

4000K

6500K

- 6.5/13/20/30W
- 100lm/W
- Power factor - 0.9
- 30K hrs lifetime
- IP65 / IK08

- Outstanding waterproof design, adaptable in rough environment
- Up to 90% energy saving compared to conventional wall lamp
- Impact resistant, long life and low maintenance cost
- Surge protection up to 2.5kV

PRODUCT PORTFOLIO - LED Performer 1 HP Bulb

LED Performer1 High Power Bulb

6500K Daylight

- Range: 78W/8400lm
95W/12000lm
- Beam angle: 90°
- Efficacy: Up to 125 lm/W
- Rated Voltage: 100-240V
- PF>0.9
- Lifespan: 25,000hrs

Broad range :

Watts from 64W to 150W could easily retrofit 100-400W CFL & HID with LED.

High Efficacy:

High quality LEDs and optical design achieve 125lm/W which bring more brightness .

More Saving :

Up to 50% energy savings, 25,000 hour lifespan.

Saves time and money by reducing energy consumption and maintenance costs.
