

AMEU | ASSOCIATION OF MUNICIPAL ELECTRICITY UTILITIES

BACKGROUND

The affiliated members of the association includes some two hundred vendors within the electricity distribution industry, engineering, consulting, manufacturing and support companies. Leading vendors to electricity distribution utility organisations can become affiliated to the association.

STRUCTURE & BENEFITS

MEMBERSHIP

- Must register and become full members as an AMEU Affiliate.
- This allows you as a member to participate in the affairs of the AMEU and AMEU Affiliates such as Affiliates General Meetings held bi-monthly, yearly events, branch meetings nationally and the Ameu Annual Convention.
- A representative of your organisation as appointed by you will keep your organisation informed at all times. The representative will have voting rights.
- Annual membership subscriptions retain your membership.

AFFILIATES STEERING COMMITTEE

- There is a Steering Committee that drives and represents the Affiliate matters at the AMEU Executive and is the voice of all its members.
- Each elected committee sits for a two-year period after which a new committee goes through a voting process and takes over after the second convention in that term.
- All concerns, grievances and issues are raised via this committee via a formal process.

HONORARY MEMBERS

- A person, who has given exceptional service to the AMEU Affiliates and at the discretion of the AMEU Affiliates Committee, can be elected as an honorary member.

WHY JOIN...

Commercial members belong to the affiliate membership class, who are organized as a substructure of the association managed by its own committee and chairperson, and operating their own budget. Affiliate members can use the association to engage with utility leaders, can arrange exhibitions and sporting events under the flag of the association to better related the commercial electricity components and services sector to their utilities clientele.

BRANCH MEETINGS

Branches of the association are active in seven key regions within Southern Africa. Each branch is headed up by a chairperson, branch administrator and an affiliates representative. Branches meet on a regular basis to review electricity distribution issues. Provision is made for commercial participation by the affiliates including time to give presentations, display commercial products, and participate in informal networking.

- These meetings are held in each Province and is organized by the Ameu branch Chair and branch secretary.
- Affiliate Members have access to these meetings and can use the opportunity to network with the attending utilities and other affiliate member companies.
- Branches are mainly funded by the affiliates.
- Affiliate Companies have the opportunity to give presentations to showcase their products and services.
- Affiliate companies may display banners and products at these branch meetings.
- Affiliate companies can indulge in further brand awareness and marketing with sponsorships request from the branches.

Check ameu website for dates of branch meetings.

ANNUAL AMEU CONVENTION

- As a paid up member, Affiliate companies are offered the opportunity to exhibit at the National Conference and showcase your business products and services.
- You also have an opportunity to marketing your business further with additional sponsorships.

Collect meaningful leads and face to face time with utilities during the convention.

Help grow the affiliates membership with meaningful and fresh ideas and thinking

Engage with industry players. Have a platform to present successful case studies and collaborations with utilities.

Build brand awareness
