

AMEU NEWS – GENERAL INFORMATION – JANUARY 2021

AMEU NEWS is a full colour electronic/web-based newsletter of the Association of Municipal Electricity Undertakings (Southern Africa) in A4 format.

It contains general news of the Association’s Executive and Branch activities, project and related news from member undertakings and Affiliate members, and other relevant industry news. It reports on developments, people, services, projects and products that are of interest to members and associated industry organizations. These are published as and when appropriate, not on the basis of special features for a particular issue.

Publication is usually in March, June and November each year.

The newsletter is circulated by e-mail to about 2000 readers on the AMEU data-base and these included City and Town Electrical Engineers of most municipal electricity utilities, other senior municipal officials and councillors in towns served by these undertakings, Affiliate members of the AMEU, consulting engineers, academics, research organizations, various Government departments and quasi government bodies and Eskom officials, commercial organizations and public libraries.

In addition, an electronic copy is also freely available on the AMEU website www.ameu.co.za .

Direct advertisements are accepted, as are sponsored advertorial items containing relevant product or project information. No charge is made for assistance given in preparing advertorial material if this is necessary.

The rates for sponsoring or advertising in 2021 are as follows;

Half page (A5).....	R6 200 + VAT per insertion
Full page (A4).....	R10 000 + VAT “ “

NOTE; Companies reserving A4 advertising space for all three issues for 2020 will be invoiced at a special rate of R9 500 + VAT per issue, namely R28 500 + VAT invoiced for the year.

Part-page, or other special requirements, are negotiable.

It is important to note that all rates are NET. Where applicable, any agent’s commission must also be added to the amounts. The Editor reserves the right to reject any material considered unsuitable for publication.
