LimLanga Cluster

AMEU

03 Feb 2022

- Municipalities are Eskom's prioritized customers with special attention
- To give effective service to municipalities
- To Support Municipalities to manage their accounts and
- To support municipalities for service delivery

- All project quotations received from Eskom to be paid within 30 days
- When paid proof of payment to be sent to Eskom immediately
- Unpaid quotations are not registered as projects
- Expired quotations will not be activated, but to start the process again

- All Eskom bills to paid in time to avoid interest and inconveniences
- Always consider due date of all the bills
- Update Eskom with the correct address/email to receive bills
- Any payment challenges should be communicated to Eskom before time
- Municipalities to consider Autopay system to avoid unnecessary interest charges

- Bela Bela
- Modimolle-Mokgopong
- Musina
- Thabazimbi
- Greater Tzaneen

- Illegally connected borehole supply points
- Late payment of new projects (especially by consultants and contractors)
- Poor communication between municipality appointed contractors and local Eskom offices
- Municipality appointed contractors not providing COCs on time.
- Municipality contractors not installing cables on their side after the point has been energised.
- Traditional authorities providing people stand on Eskom's servitude
