

BE CONFIDENT

AMEU and Women in Electricity (WiE) have launched the 'Be Confident' initiative to support girls who don't have access to the basic necessities needed to manage their menstrual cycle.

"All girls deserve the dignity of being able to manage their cycle safely and reliably."

WiE members will be driving this initiative during the year to showcase our support to the youth of the country. We will hand out sanitary towels and underwear, give educational talks, and introduce the girls to the Energy industry.

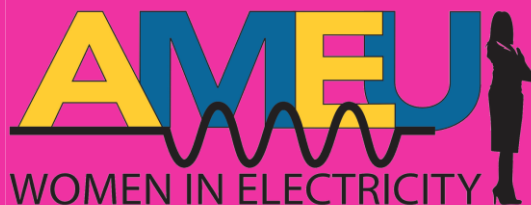

Please support us by donating packs of sanitary towels and/or good quality underwear for school going girls.
Deliver to one of our drop off points in Gauteng:

Edge Line Engineering

7 Port Road,
Robertsham
Contact: VERNY TURTON

Matleng Energy Solutions

22B The Woodlands Office Park
Woodmead
Contact: YOLANDI ZEELIE

The AMEU is a registered NPO. If you wish to sponsor this initiative, please contact us to request our NPO certificate.
