

Membership Application Form – 2024

AMEU Member Utilities & Ordinary Members

Benefits of being a member of the AMEU:

Membership of one or more learned societies is essential for the development of a successful professional career. This particular association provides municipal electrical engineers and managers with a platform for interactions and networking with colleagues in the industry. Membership will provide you with at least the following benefits:

- You can meet and interact with colleagues in your industry.
- You can learn about the macro socio-political drivers in your industry.
- You can compare your thinking on issues with that of your peers.
- You can use the association as a platform to profile yourself in the industry.
- You can demonstrate your thought leadership in a peer environment.
- You can track industry trends and issues.
- You get the opportunity to participate in your industry on a national level.
